Home Energy Assessment Application

Get on your way to a more comfortable and energy efficient home in just minutes! If you have any questions about this application, contact us at 701-746-5431.

You can also fill out our online application at www.401-e.com or directly from your mobile device by scanning the QR code to the right.

DISCOVER NEW WAYS TO SAVE... TRANSFORM YOUR HOME!

Performed by a Building Performance Institute or RESNET certified professional, your Home Energy Assessment removes the guesswork and pinpoints energy saving opportunities. Your 401(e) Energy Advisor will walk you through a custom report spelling out your home's expected energy savings and the estimated impact on your utility bill.

Name: _____

Street Address: _____

If you have a **Promo Code**, enter it here: _____

- I understand there will be a charge for this assessment. The charge will appear on a future monthly bill (Xcel Energy customers) or I will receive an invoice from Red River Valley Community Action after the assessment has been completed.
- I understand that by submitting this request, I am giving my electric and/or gas utility(s) permission to release 13 months of my billing history to Red River Valley Community Action and the Neighborhood Energy Connection (Xcel Energy customers) so that they can better help me during the assessment.
- I authorize a trained 401(e) representative to perform a Home Energy Assessment of my home including an inspection and evaluation of all areas, equipment and appliances in my home.

A 401(e) Home Energy Plan representative will be in touch with you to schedule your assessment. If you have any additional questions, call us at 701-746-5431.
